Dear Colleagues,

This week marks the start of school for our neighborhood elementary and high schools, Taft Community School on 10th and Bay Road and Summit Charter on Broadway and Charter Street. You will notice an increased amount of families and students walking and biking to school on local roadways and we ask that we all remain especially mindful within the neighborhoods between Marsh Road to Woodside and Rolison Road to Middlefield Ave. The school crossing at Bay and 10th is particularly busy and at times the sunlight may make it challenging to see. Given this, please drive slowly and look out for pedestrians and cyclists.

Wishing all families starting back to school a safe and successful year.
