

DISABILITY CART PERMIT AGREEMENT

Stanford
Transportation

As a condition for the issuance of a disability cart permit for your cart, which you have been approved for to accommodate your mobility transport needs, and for any subsequent renewals or extensions of your permit, you must comply with the below listed rules and regulations of the University's cart policy established under the Stanford University Pedestrian Zone policy.

If you violate any one or more of these rules and regulations, personnel of either the Department of Public Safety and/or Stanford Transportation may boot (immobilize) your cart and/or revoke your permit at their sole discretion. A fee may also be charged to remove a boot.

If your cart permit is **revoked**, you must not operate your cart or allow anyone else to operate it until it is removed from University property. You will have 72 hours from the time you are notified by phone and/or email of the revocation. If your cart is not removed within 72 hours, the Department of Public Safety will tow and store your cart at your sole expense.

Provided you have a disability, you may qualify to use the cart transport service known as "Disability Golf (DisGo) Cart Service" (<https://transportation.stanford.edu/stanford-access>) which is offered at no charge by Stanford Transportation. If you desire to obtain a new permit, you will be required to re-apply for a disability cart permit beginning with an application to Stanford Transportation. However, there is no guarantee that Stanford Transportation will approve your application.

Rules and Regulations:

- 1) Do **NOT** drive or park the cart in any arcade or within a Vehicle Exclusion Zone as illustrated on the Pedestrian Zone Access map.
- 2) Do **NOT** park within the No Parking Zones as illustrated on the Pedestrian Zone Access map.
- 3) Do **NOT** park your cart in any landscaped or bark area, designated bicycle parking area, or other unpaved surfaces.
- 4) Do **NOT** park in a cart charging station assigned to another department.
- 5) Do **NOT** block building entrances, stairways, disabled ramps, walkways, pathways, dumpsters, or thoroughfares.

- 6) Do **NOT** drive the cart any faster than the speed of pedestrians in the Pedestrian Zone or on any shared pathway or walkway.
- 7) Do **NOT** use a mobile phone (talking, texting, or viewing) while driving a cart.
- 8) Do **NOT** exceed the posted speed limit of 15mph on Jane Stanford Way.
- 9) Do **NOT** chain your cart to fixtures such as signposts, lampposts, staircase handrails, bicycle racks, parking meters, or trees.
- 10) Do **NOT** drive or park on sidewalks.
- 11) Do **NOT** park on tile or pavers such as those in and around the Main Quad.
- 12) Do **NOT** allow your permit to expire. Plan ahead and request a renewal or extension from Stanford Transportation.
- 13) Do **NOT** allow anyone else to operate your cart UNLESS you are a passenger.
- 14) Do **NOT** allow passengers to exceed the number of seats available.
- 15) Do **NOT** park in a red zone, fire lane, nor within 15 feet of a fire hydrant or fire sprinkler equipment.
- 16) Do **NOT** park in a marked disability space reserved for motor vehicles. The State does not authorize the use of a disabled placard or any other State-issued disability permit for carts.
- 17) Do **NOT** park in any area in or around a student dormitory or residence unless authorized by a Student Housing Supervisor.
- 18) **DO** park on hard covered surfaces (i.e., asphalt, concrete, brick)

To supplement this Agreement, we recommend you take the Cart Safety Training Course and Test which is available in the STARS Menu through Axess. Once there, click on the "Search/Browse Catalog" link and enter "Golf Cart". The Cart Safety Training Course will appear and you will be prompted to open the "Enroll" link to begin.

We strongly recommend you secure your cart to itself with a chain and padlock (no cable lock) or *The Club* device every time it is left unattended to prevent its theft or unauthorized use, as required under the rental agreement with *Turf and Industrial Equipment (TIE)* or other vendor.
