Where To Find Zipcars at SRWC

There are two Zipcars, which are currently located across Broadway from SRWC ([photo](#) and [map](#)). They are parked in the lot east of the Stanford University Press building (500 Broadway).

The Zipcars will be moved to a surface parking lot at SRWC over the coming weeks (first vehicle) and months (second vehicle). We expect the first vehicle to move to the [Broadway Parking Lot](#), and the second Zipcar to move near the Pine Cone Children's Center.

[Zipcar is an on-demand car sharing service](#), which enables you to reserve a car online or by phone 24/7. Create a [free departmental Zipcar account](#) and bill department business trips to a PCard.

Once you move in, if you find that Zipcar isn't meeting your needs please let us know. We also welcome questions through our [comment and feedback form](#).

[week as a Scoop driver](#) and another says he enjoys making new friends through occasional, flexible carpooling.

Plus, you can receive up to \$100 in e-gift cards from 70 retailers and charities through [Commute.org's Carpool 2.0 Rewards Program](#).

We will be announcing even more incentives soon, so post your ride requests on [Scoop](#) or our Stanford-only [Carpool/Vanpool Listings](#) page today, so you don't miss out on the rewards!

There's already one SRWC vanpool from Fremont with [two open seats](#)!

We are pleased to share a [photo of the Marguerite stop](#) (bus shelter) in front of SRWC.

Thanks to Kate Gibson, our marketing and TDM program supervisor, for this shot and the [Zipcar photo](#) in this issue.

Marguerite midday shuttle buses will be white and will not have Stanford decals for the first month. New buses are on order. Please look for the Marguerite Line RWC signage to identify the bus, and refer to the [combined SRWC shuttle schedule](#) we developed.
