<input type="checkbox"/> Bollard remote (_____)				
<input type="checkbox"/> Hang tag (Exp. 9/30/2023)				
<input type="checkbox"/> Pedestrian Zone Identifier				

Stanford Transportation

# 2022-23 PEDESTRIAN ZONE ACCESS/PERMIT APPLICATION

## PEDESTRIAN ZONE ACCESS PROTOCOL

**General Rules:**

- Only authorized vehicles are permitted to access the Pedestrian Zone.
- Vehicles not displaying a valid PZ or SV permit are subject to citation and/or towing.
- Vehicular access and parking permits are granted / provided by Stanford Transportation.
- All vehicles (including University vehicles) must observe the posted parking and loading time limits.
- University vehicles marked with the Stanford seal on the side need a valid Service Vehicle permit and/or PZ permit to park within the Pedestrian Zone.
- Departments housed in the PZ may receive one free Pedestrian Zone Loading/Unloading permit. These permits allow 20-minute parking within the zone for loading/unloading purposes only.
- "After-Hours Pedestrian Zone" permits are good after 4 p.m. and on weekends, when longer stays are okay, and are available to any department located within the Pedestrian Zone.

**Access through gates:** Upon PZ access approval, we can grant access through the Duena and/or CERAS gates by programming your valid SUID card, issuing you a temporary SUID card, issuing you a vehicle prox pass, or providing you a keypad combination for the gate. There is a \$25 fee for each temporary SUID card issued or a \$35 fee for a vehicle prox pass. If you lose your gate card or prox pass, you must pay to have it replaced.

**Access through pneumatic bollards:** Upon PZ access approval, we can grant access to specific areas by providing a remote control device for the pneumatic bollards. There is a \$50 fee to replace a lost or damaged bollard remote. Contracted service vendors sponsored by Stanford affiliates will be required to leave a \$50 deposit.

During business hours (M-F, 6 a.m. - 4 p.m.), you'll need one of the following:

- **A Service Vehicle permit with a Pedestrian Zone Identifier:** We sell virtual (non-physical) Service Vehicle permits linked to your vehicle license plate. The Pedestrian Zone Identifier placard is issued at the discretion of Stanford Transportation. Make sure to display it prominently on your dash or front windshield (driver's side, lower corner).
- **A Pedestrian Zone Loading/Unloading permit:** These placards are issued by the Stanford Transportation office and must be displayed on your rear-view mirror or dashboard.

### BOLLARD SAFETY VIDEO AGREEMENT

All bollard remote control device users are required to view the pneumatic bollard safety training video at: [transportation.stanford.edu/bollard-safety-video](http://transportation.stanford.edu/bollard-safety-video)

If you are requesting bollard access, please acknowledge and agree to this requirement:

All bollard remote users in my department/organization will view this video before operating the device.

During non-business hours (after 4 p.m. and on weekends), you'll need a **PZ After-Hours permit**.

Access approval is reviewed on an annual basis. Access privileges will expire on 9/30/23 unless an application for 2023-24 is submitted and accepted.

PERMIT TYPE & QTY REQUESTED	PAYMENT METHOD	
PZ Identifier (Red placard) _____	<input type="checkbox"/> Credit Card (Visa, MasterCard, or Discover)	<input type="checkbox"/> Project-Task-Award (DEPARTMENT ONLY)
PZ 20-Minute Loading (Pink hangtag) _____	Do NOT fax or mail credit card information. Submit the application, and we will call you for the information.	PTA Number _____
PZ After-Hours (Blue hangtag) _____		Approver's full name _____
SV (Virtual permit) with PZ Identifier _____		Approver's email address _____

**PLEASE READ AND SIGN:**

I certify the above information is true. I agree to the terms stated in the Stanford University Traffic and Parking Code ([transportation.stanford.edu/parking/code](http://transportation.stanford.edu/parking/code)). I understand that transfer or unauthorized use of access cards or combinations may result in revocation of my access and/or parking privileges. I acknowledge that loss of, or damage to, a gate access card will necessitate payment of a \$25 replacement fee. Loss of, or damage to, a bollard remote will cost \$50. Loss of, or damage to, a vehicle proximity device will cost \$35.
