2022-23 AT A GLANCE

Thanks to our many <u>sustainable programs and offerings</u>, the Stanford community continued to decrease its collective carbon footprint during the last fiscal year.

36%

DRIVE-ALONE RATE HIT A NEW LOW

Stanford's drive-alone rate for our commuting students, faculty, and staff went from 67% in 2003 to 36% in 2022.

We also soared to an all-time high of 22%+ for bike commuting.

CYCLING ENTHUSIASTS ATTENDED WEBINARS AND EVENTS

We offered <u>20+ free webinars</u> and events to help educate riders on bike safety and best practices.

Fun Fact: We greeted over 300 bike riders with Bay Area <u>Bike To Work</u> bag giveaways at our Energizer Stations on May 18th. **800+**

19

MARGUERITE ADDED SHOPPING EXPRESS

With the addition of <u>Shopping</u> <u>Express</u>, Marguerite now encompasses <u>19 routes</u>, providing service in and around the Stanford properties.

Did you know? Stanford partnered with SamTrans to extend Route 281, which now provides a direct route from East Palo Alto to the Stanford Oval and Stanford Medical Center.

ELECTRIC MARGUERITE MILES

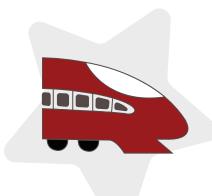

A whopping 449k miles were driven by electric <u>Marguerite</u> shuttles out of a total of 508k miles.

Did you know? Marguerite shuttles help move about 6,250 people per day. 449k

ACTIVE CLIPPER CARDS

27,289 eligible commuters have Stanford-issued transit passes allowing them to travel for free on Caltrain, VTA, and/or AC Transit. Visit our *Free Transit and Commuter Benefits page* to learn more.

ACTIVE VANPOOLS FOR EMPLOYEES

We continue to offer a 100% vanpool lease subsidy for new and existing vanpools. Visit our Vanpools page to join an existing pool or start a new vanpool.
